## Nearer to Nature general information

*Nearer to Nature* provides opportunities for students to learn through hands-on activities and experiences in the natural environment. Our excursions build concepts, skills, values and environmental responsibility.

### We offer:

- excursions and camp activities
- incursions at your school
- professional learning for educators.

**Maximum group size:** 30 students. Multiple classes can be accommodated.

**Curriculum links:** Programs are designed to cover content in the WA Curriculum.

However, if you do not have a particular curriculum focus, our programs are suitable as enrichment activities.

### Excursions

**Cost** (GST inc.): Per student, minimum charge 20 students.

### Incursions

**Cost** (GST inc.): \$200 per hour (or part thereof) for first class, \$180 per hour for further classes.

Visit the [N2N schools page](#) for more information and details about Risk management, Planning your visit, FAQs, resources.
