**FORMAL ADVICE ON CONSULTATION REGULATORY IMPACT
STATEMENT: COMPLIANT**

Draft Forest Management Plan 2014-2023

Thank you for your Consultation Regulatory Impact Statement on this regulatory proposal, provided on 16 July 2012.

The Regulatory Gatekeeping Unit (RGU) advises that the *Regulatory Impact Assessment Guidelines for Western Australia* have been followed, and the Western Australian Government's Adequacy Criteria have been met.

Therefore you should post this document on your website for the nominated consultation period, provide the link to the RGU, and proceed with your consultation. Following consultation, please provide the Decision Regulatory Impact Statement (D-RIS) to the RGU. The D-RIS should include a full analysis of the proposal and an assessment of issues raised in submissions received during the consultation period.

Please note: the RGU does not support any particular regulatory option or outcome and does not verify the underlying data or methodology used in a RIS. The content of the RIS is the responsibility of your Department.

Please quote reference **RG1023** in all future correspondence and compliance reporting on this proposal.

Please retain this letter as a record of the RGU's advice. If you have any questions please contact Elizabeth Archer on 6551 2402 or email the RGU at regulatorygatekeeping@treasury.wa.gov.au.
