 1080 Poison Risk Area  
 1080 Poison Risk Area  
 1080 Poison Risk Area  
 1080 Poison Risk Area

**LEGEND**

The management and administration of CALM and SARs by DPAH and the Department of Land Management, is based by the parties in a determination of their respective DPAH and Department Management responsibility.

Information on areas of 1080 poison risk is available as of February 2016. This map does not show areas of 1080 poison risk in parks or other DPAH managed lands. Please contact the nearest DPAH district office for information on other DPAH (SCL) programs in this area.
