Western Shield

1080 Poison Risk Area, risk to domestic animals (dogs and cats)

The management and administration of UCL and (MFRs) by DECA and the Department of Lands respectively, is agreed by the parties in a Memorandum of Understanding. DECA has on-ground management responsibility.

Information on areas of 1080 poison risk is accurate as at July 2018. This map does not show other areas of 1080 poison risk to private or other DECA-managed land. Please contact the nearest DECA district office for information on other DECA 1080 programs in the area.
