_____

Please return form to:

fauna@dbca.wa.gov.au OR

Species and Communities Branch
Department of Biodiversity, Conservation and Attractions
Locked Bag 104
Bentley Delivery Centre WA 6983

This form is useful if you are monitoring cockatoos or if you get lots of black cockatoos visiting your location and you want to record each visit. If you want to report a one-off sighting of a black cockatoo, please use our **standard fauna report form**, available on the Department's website: https://www.dpaw.wa.gov.au/plants-and-animals/monitoring/96-standards/140-standard-report-forms

Sighting Information					**Location**		**Behaviour**	
Date	Time	Number of Birds/Flock Size	Heard? (Yes or No)	Tail Colour (Red or White)	Address	Coordinates (if available)	In flight, perching, roosting, drinking, feeding etc.	Observation Notes (e.g. food source, breeding information)
