Submission of specimens to the Western Australian Herbarium

This information is for the submission of specimens for:

- **Identification** requests using the Herbarium Identification Service
- **Incorporation** into the collections of the Western Australian Herbarium (PERTH) – please refer to the PERTH *Herbarium Acquisition Guidelines* before submission

For Reference Herbarium freezing services please see the *Reference Herbarium User Guide*. Identification and Incorporation service requests can be either **paid** or **unpaid**.

**Paid Identifications** are prioritized and incur a charge of $25.00 plus GST per specimen.

**Paid Incorporations** are prioritized, and is required for the permanent vouchering of project study records and incurs a charge of $25 plus GST per specimen.

**Unpaid Identification** for up to 12 specimens per year for members of the public. Other requests require prior arrangement with the Collections Manager ([herbarium@dbca.wa.gov.au](mailto:herbarium@dbca.wa.gov.au)).

**Unpaid Incorporation** of specimens is at the discretion of the Western Australian Herbarium.

Specimens with all required documentation can be delivered to the Western Australian Herbarium by three methods:

- **Australia Post**:
  Western Australian Herbarium
  Attn: Collections Manager
  Department of Biodiversity, Conservation and Attractions
  Locked Bag 104
  Bentley Delivery Centre, WA 6983

- **Courier**:
  Western Australian Herbarium
  Attn: Collections Manager
  Keiran McNamara Conservation Science Centre
  Department of Biodiversity, Conservation and Attractions
  17 Dick Perry Avenue,
  Kensington, WA 6152

- Hand-delivery to the Reference Herbarium, Keiran McNamara Conservation Science Centre, M-F 8:00-16:30, except public holidays and scheduled closures. Place in collection box outside door.
Specimens not incorporated into the collections of the Western Australian Herbarium can be returned to the collector by three methods:

- Pick-up within 1 month of notification from the Reference Herbarium ‘Identification pick-up area’, Keiran McNamara Conservation Science Centre, M-F 8:00-16:30, except public holidays and scheduled closures;
- Return by Australia Post (standard postage and handling rates (minimum $10 plus GST) apply); or
- Courier (to be arranged by collector).

Any specimens not returned to the collector will be assessed by Herbarium staff for incorporation, exchange with partner herbaria, or disposed of following quarantine regulations.

**Specimen Preparation Checklist**

- The PERTH *Herbarium Acquisition Guidelines* have been reviewed prior to request for incorporation to avoid unnecessary effort and disappointment.
- Ensure all specimens are fully dried – see *How to Collect Herbarium Specimens*. Fresh specimens are rarely and only accepted upon prior arrangement.
- Each specimen is physically separated in newspaper sheets or other appropriate foldering.
- Collecting details for each specimen are provided as printed or handwritten labels physically with the specimen.
- Each specimen is tagged with a Collection Number that matches the specimen record and label.
- Incorporation requires the submission of collecting information in digital format (e.g., MAX, excel spreadsheet), emailed to herbarium@dbca.wa.gov.au.
- Submit collecting licence information for each specimen or documented evidence of legal collection.
- For each batch include a completed *Specimen Submission to Western Australian Herbarium* form.
- For each batch include a specimen list.
- Provide the most appropriate contact information.

Please note: *Threatened and Priority Flora Report Forms* are not collecting labels, but are supplementary information.

The specimens should be protected in a cardboard box of suitable size. A small number of specimens can be tied into a bundle between cardboard and posted safely.

Please contact the Collections Manager (herbarium@dbca.wa.gov.au) if assistance is required. Electronic versions of forms are available at [https://www.dpaw.wa.gov.au/plants-and-animals/wa-herbarium](https://www.dpaw.wa.gov.au/plants-and-animals/wa-herbarium)

Upon receipt, Herbarium staff will provide a PERTH Accession Number for tracking purposes via the contact information provided.
Specimen Submission to Western Australian Herbarium
Identification and/or incorporation requests

Date: ______________________ Number of boxes: ________ Number of specimens: __________
