## Guidelines for professional shooter application

- The licence holder must comply with all relevant provisions of the *Wildlife Conservation Act 1950* and *Wildlife Conservation Regulations 1970*.
- The licence holder must also hold a current Firearms licence pursuant to the *Firearms Act 1973* and only use firearms that are of a centrefire type and greater than .22 calibre.
- The licence holder may only take Western Grey Kangaroos, or Red Kangaroos in accordance with the conditions of the *Western Grey Kangaroo Open Season Notice* or the *Red Kangaroo Open Season Notice* published in the Government Gazette.
- The licence holder may only shoot Western Grey Kangaroos, or Red Kangaroos on a property for which they have received **written authorisation** from the property owner or manager and those property details are endorsed on their current Kangaroo Shooter licence.
- All kangaroos must be shot in accordance with the *Code of Practice for Humane Shooting of Kangaroos*.
- The licence holder must affix to each carcass an approved royalty tag. The kangaroo royalty tag must be valid for the species.
- The licence holder must shoot into the chiller specified on the licence, registered as being positioned at the location specified on the licence.
- The licence holder must not deliver to a Kangaroo Processor a kangaroo that has been killed with a shot to any part of the body other than the head.
- The licence holder must carry their licence on them at all times while operating in the field and provide the licence to any authorised officer on request.
- The licence holder must supply returns to the Department of Environment and Conservation in the approved format and at specific dates on the **Form 3 Return of Kangaroo Carcasses Placed in Chiller Units**.
