Nearer to Nature general information

Nearer to Nature provides opportunities for students to learn through hands-on activities and experiences in the natural environment. Our excursions build concepts, skills, values and environmental responsibility.

Maximum group size: 30 students. Multiple classes can be accommodated.

Curriculum links: Programs cover content in the WA Curriculum. However, if you do not have a particular curriculum focus, our programs are suitable as enrichment activities.

Excursion cost (GST inc.): Per student, minimum charge is for 20 students. Cost varies according to the activity, see program listing above for details.

Visit the [N2N schools page](#) for more information and details about Risk management, Planning your visit, FAQs, resources.
