

State Forest Amendment

Rationalisation of Myalup Road

24 November 2021

Conservation and Land Management Act 1984 **Section 9**

In accordance with section 9(4) of the *Conservation and Land Management Act 1984* (CALM Act) the Minister advises of her intention to act under section 9(3)(b) of the CALM Act.

At the request of the Shire of Harvey, the Minister for Environment proposes to amend State Forest No. 16 to rationalise the tenure of a portion of Myalup Road, located 11 kilometres west of Harvey.

Portions of Myalup Road have not been constructed within the dedicated road reserve, and instead are within State forest. The Shire of Harvey is seeking to rationalise the alignment of Myalup Road to ensure the constructed alignment is within a dedicated road reserve. The road amendments will not involve native vegetation clearing or road works, and are administrative actions only.

To formalise the rationalisation of Myalup Road the Minister for Environment proposes to excise 3.0275 hectares from State Forest No. 16 for addition to Myalup Road. It is also proposed that 2.5460 hectares of unconstructed road be closed for addition to State Forest No. 16.
